MEMO ENDORSED

Re: Permission Data, LLC v NewsMax Media, Inc. (1:14-cv-07129)
Request for Extension of Time to Respond to Letter Motion

Dear Judge Engelmayer:

I am represent Optimal Fusion, Inc. ("OFI"), a third party for which NewsMax Media, Inc. ("NewsMax") has submitted a Letter Motion to Compel on September 8, 2015. I am pleased to report that the parties have resolved a number but not all of the pending issues. OFI needs additional time to submit its response to the letter motion since OFI's principals are Orthodox and have been unavailable because of the Sabbath and Rosh Hashanah.

OFI requests an extension until September 16, 2015 to respond which is not opposed by NewsMax.

Sincerely,

Granted.
